To give you a clear idea of what is being covered during a CELTA course. Why should I take this course? Our three part webinar aims to build on this existing experience and provide a reflection pause on fundamental aspects of our teaching in this new age: Part 1 What is the difference between digitalising our teaching, and making our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in this new age: Part 1 What is the difference between digitalising our teaching in the difference between digitalising our teaching in the difference between digitalising our teaching in the difference between di Note the date Monday 20 April 17:00 CET Computer and paper exams / tests - more dates! We are offering additional Cambridge English exams and IELTS test dates in Switzerland to enable your important deadlines to be met. We have searched for ways to create digital materials, distribute them to students, set tasks and deadlines, run virtual meetings, and collect course work from the learners. Our three part webinar aims to build on this existing experience and provide a reflection pause on fundamental aspects of our teaching, and making our classes digital? Part 3 Specifically, how can we shape and maybe refresh the interaction models with, and among, learners, maximising the opportunities that technology creates? We have searched for ways to create digital materials, distribute them to students, set tasks and deadlines, run virtual meetings, and collect course work from the learners. This will vary from person to person, but on average expect anywhere between 2 to 5 hours per week Bridge to CELTA start dates Start Date course 2: 13 August to 2 September 2018 Could some of the challenges we have encountered in these past weeks be resolved, if we re-considered what digitalisation involves? Part 2 In this reflection process, could we revisit some of the central tenets of our communicative teaching method, to see how they might be best carried out in the digital age? Part 3 Specifically, how can we shape and maybe refresh the interaction models with, and among, learners, maximising the opportunities that technology creates? Bio of the Cambridge Assessment Presenter: Simona Petrescu has been a teacher of English since 1996, focusing on Cambridge English exam preparation courses.
