Currently the Main Stand reception is closed and there are no stadium tours running. Opening times for the restaurant are subject to change based on government guidelines. Only bookings are accepted, no walk-ins. There have been no changes to the parking or the Blue Badge parking bays. An external queuing system is in place at the Megastore. Stewards are in place at weekends to limit the number of shoppers in store. All entrances and exits remain the same, however the main reception on Edmiston Drive remains closed. At Argyle House reception there is a sanitising station, in addition to a machine to read your temperature which must be used to gain access. Diners are also asked to sanitise their hands on entering Argyle House restaurant. Various wall and floor signage has been added throughout. Signage to ask people to keep to the left on stairs and walkways has also been introduced. A protective screen has been added to the main reception desk in Argyle House. People are asked to use stairs wherever possible. The lifts are limited to one person or one family group only (plus carer where appropriate).
